

2016 WHY JESUS?

NORTHERN NEW ENGLAND CONFERENCE ON EVIDENCE FOR CHRISTIAN FAITH

TRAVEL COST SUBSIDY APPLICATION

WHY JESUS? 2016 is an event designed to serve folks from all over northern New England. But northern New England is a vast region, spanning over 525 driving miles from Bennington VT to Fort Kent, ME, and even reaching into northern MA, with the conference venue itself located a long way from all those areas — in Bangor, Maine.

In order to make attending the conference from such distances more feasible, and as an incentive to do so, funding to defray fuel costs is being offered to **groups of 12 or more adults from VT, NH, ME, or MA, traveling together to the event by van, bus, or motor coach at a round-trip distance of 400 miles or greater.** If you represent a group that fits that criteria, you're invited to complete and return this application, either electronically as a .pdf file or by USPS.

A limited number of round-trip MapQuest™-calculated fuel cost subsidies are now available on a **first-come first-served basis to those whose applications are approved.** In order to qualify, every item on this application must be completed. All applicants will receive a response within **two weeks** of the date that the application arrives in our office. This offer does not include tickets, funding for food or lodging, expenses incurred for contracting, operating, or maintaining the vehicle by which your group travels to the conference, or any other conference-related expenses.

Full printed name of applicant/coordinator — and organization if any.

Full mailing address of applicant/coordinator — and organization if any.

City, State, and Zip of applicant/coordinator — and organization if any.

Telephone number of applicant/coordinator — and organization if any.

E-mail address of applicant/coordinator — **must print clearly!**

Signature of applicant/coordinator

Date that this document is submitted

As signing applicant/coordinator, I understand and agree to all terms listed above.

As signing applicant/coordinator, I understand and agree that fuel subsidies will be paid (reimbursed) at the conference only if: **a)** this application has been previously approved, **b)** all of the terms herein have been met, and **c)** all one-way fuel expense receipts are submitted at the conference.

As signing applicant/coordinator, I will use the fuel subsidy reimbursements being offered here in a way that will lessen costs for *all* of those in my group traveling to the event.

Coming by van, bus, or motor coach?

Point of departure

Estimated total fuel costs based on current fuel prices and/or MapQuest™ calculations.
