

Are you planning to attend?

WHY NORTHERN NEW ENGLAND CONFERENCE ON EVIDENCE FOR CHRISTIAN FAITH JESUS? 2016

with Ravi Zacharias, Lee Strobel, the Oasis Chorale, and more!

HERE ARE SEVEN THINGS YOU SHOULD KNOW!

1. Now is the time to buy tickets. Just \$15 for all day!

There will be no better deals later on. We're gearing up for a capacity crowd of 7,000 - and already one of every seven available tickets has been sold. **Don't be late.** Get the word to your church now. In fact, we'd suggest that you announce it this Sunday!

TIP: Some churches are buying tickets in quantity and making them available (at no cost or by reimbursement) to church members and friends.

2. Your church is invited to be an official participant.

If the church you attend or pastor isn't already among the growing number of churches officially participating in this event, here's how to get on board *before* someone asks you why you're missing from the roster that's already posted online!

TIP: Filing this form may increase traffic to your church's web site and build interest in your church because its web address will be included as part of your listing on the **WJ? 2016** web site.

3. The scope of this event goes way beyond May 7 2016

The conference itself is a one-day event. But the purpose, vision, and benefits will extend well beyond that one 24-hour period. In fact, the benefits are already being realized as hundreds of believers in Christ come together to make this all that it can be for the glory of God. Valuable life-long relationships among evangelical Christian believers are being established across denominational lines as volunteers sit side-by-side on planning commissions and prepare to help at the meeting.

4. The best way to stay current with conference-related tips and developments is through Facebook.

The conference web site itself features **The Latest!** and **News** sections that are designed to keep you abreast late-breaking developments and other conference features that you might otherwise miss. But all of these posts and more are also available on the WJ? 2016 **Facebook** and **Facebook Event** pages. So we'd highly recommend that you "Like" the **WJ?** FB page right now.

5. You and your church are encouraged to join faithful believers already praying for this event.

This conference is being undergirded by prayer which will make a big difference. Why? Because God's power is released through the fervent prayers of His faithful people. If you and your church's prayer chain coordinator are not already part of the **WJ? 2016 Prayer Network**, receiving our monthly list of specific prayer requests, now's the time to enlist.
